

Dear valued customers,

Hotsy Water Blast is committed to ensuring a safe and healthy work environment for our people, customers, and the communities in which we live, and work. In response to COVID-19, we've implemented protocols and guidelines and our teams are undertaking the necessary precautions to protect both themselves and those around them. Some of the recommended safety measures our teams are using include frequent handwashing, social distancing, and self-isolation in the event of sickness.

Our nine locations are open and ready to serve you during our standard hours of business and remain unaffected at this time. We believe in providing all customers with an outstanding service experience and we encourage our customers to contact us via email or phone for those who wishing to shop and purchase from their home or business location. If you have any questions, please contact the Hotsy Water Blast location nearest you.

Regards,
Hotsy Water Blast management
